A message from the West Region Director

On behalf of the entire Western Region family, we welcome all of the volunteer umpires that have been selected to umpire in the “2014” Western Region Baseball and Softball Tournaments. Through your dedication and volunteer service to the leagues in your local communities, you have earned the right to represent us at this elite level of play.

The Volunteer umpire plays a major role in the success of the local league and selection as a Regional umpire is a significant achievement deserving of much recognition. To earn such an honor an umpire must demonstrate above average skills, adhere to the true principles of Little League Baseball and Softball and provide their officiating services on a voluntary basis.

Many of this year’s Regional umpires have waited years for the opportunity to umpire at this level and it will undoubtedly be an experience that will last a lifetime.

Our sincere thanks and best wishes go out to each volunteer umpire and we wish you the best and hope that you have a pleasurable and rewarding experience and thank you for your dedication and commitment to Little League Baseball and Softball.

Sincerely,
Dave Bonham
West Region Director

A message from the West Region Umpire In Chief

On behalf of myself and Doug Perret, Assistant Umpire in Chief for the Western Region, congratulations to all and welcome to the 2014 Little League Western Region Baseball and Softball Tournaments.

The Volunteer Umpires selected this year join a special group of alumni who previously had the honor of officiating at various Western Regional Tournaments. They play an important role in the Little League program. Through their examples of leadership and their experience each exemplifies Character, Courage, and Loyalty; the three principles of the Little League.

Every umpire that makes it to the regional level should take pride in his or her accomplishment. Little League recognizes these men and women for their commitment and volunteerism thus selecting them to umpire at higher-levels such as Regional and World Series Tournaments. Each one of these umpires has committed to many hours of training, which include, rules interpretation, field mechanics training, and umpiring at their local and District league levels, all on their own time and expense. Many have sacrificed time off from work and time away from their families and loved ones to take on this honored responsibility.

They are to be congratulated for making it this far in their avocation and I hope this experience will fulfill a lifelong dream. If you see one of the umpires at the tournament this year, please take a second and thank them for their unselfish contribution to the entire Little League program. Each has taken on the responsibility of teaching positive life lessons to our youth and making the life of that child just that much more enjoyable.

Enjoy the ride,
Mark Bernstein
West Region Umpire-In-Chief

A message from the WRLLUAA President

On behalf of my fellow members of the Western Region Little League Umpire Alumni Association, I want to congratulate all of you who have been selected to umpire at a Western Region baseball or softball tournament in 2014. You join a long and distinguished list of volunteer umpires who have had the honor and privilege of being selected from amongst their peers to work one of these prestigious post-season tournaments.

Your selection is a great honor for you, your family, and for your District and one you have worked hard to attain I am sure. The volunteer umpire is an integral member of the Little League program. This assignment takes you away from your family, friends, and work to positively help shape the lives of our youth. For that commitment and sacrifice, you should be highly commended.

I, along with each member of our Umpire Alumni Association thank you for your time and dedication. You are part of the closest and best fraternity in the world. Be proud of your achievements, they are well earned. Enjoy the games, the atmosphere, the camaraderie and have a great Tournament!!!

Thru generous donations and memberships since its inception in 2005, the Umpire Alumni Association has invested tens of thousands of dollars into equipment, scholarships and facilities benefitting Little League volunteer umpires throughout the Western Region. Since that beginning, we have grown to over 200 members, both men and women, from all walks of life. What we have in common is a true dedication to the Little League program and the belief in its principles; Character – Courage – Loyalty.

If you have not already done so, please consider joining the Umpire Alumni Association (a public charitable 501(c)(3) tax exempt organization) and assisting us in continuing our efforts.

Sincerely,
Tony Cooper
President West Region Little League Umpire Alumni Association
