## A message from the West Region Director

On behalf of the entire Western Region family, we welcome all of the volunteer umpires that have been selected to umpire in the “2015” Western Region Baseball and Softball Tournaments. Through your dedication and volunteer service to the leagues in your local communities, you have earned the right to represent us at this elite level of play.

The Volunteer umpire plays a major role in the success of the local league and selection as a Regional umpire is a significant achievement deserving of much recognition. To earn such an honor an umpire must demonstrate above average skills, adhere to the true principles of Little League Baseball and Softball and provide their officiating services on a voluntary basis.

Many of this year’s Regional umpires have waited years for the opportunity to umpire at this level and it will undoubtedly be an experience that will last a lifetime.

Our sincere thanks and best wishes go out to each volunteer umpire and we wish you the best and hope that you have a pleasurable and rewarding experience and thank you for your dedication and commitment to Little League Baseball and Softball.

Sincerely,  
Dave Bonham  
*West Region Director*

## A message from the West Region Umpire In Chief

It is with great pleasure and honor that we introduce you to the 2015 Western Region and World Series Umpires. Each is an exceptional Little League volunteer and have reach the goal of being selected for the highest levels of officiating. The volunteer Little League Umpire has a critical role in the development of each child involved in the Little League program.

The umpire is an essential part of the lessons learned relative to sportsmanship, responsibility, winning and losing. They understand what it means to be part of a team. Each takes on the responsibility of being a good role model and providing each participant with the positive life lessons that will allow them to become better adults and future leaders in our communities. The men and women honored with Regional or World Series selections in 2015 have attained recognition for their hard work, commitment and loyalty to Little League. Each is now a member of a special fraternity. Please congratulate them for their accomplishment.

As Umpire in Chief of the Western Region and on behalf of the Assistant Umpire in Chief, Doug Perret, we both thank you for all you have done this year and in years past to garner this achievement. You are a credit to your local leagues, Districts, Sections and the Western Region. Please take every opportunity to enjoy the experience to the fullest and share it with those who have helped you along the way.

Enjoy the ride,  
Mark Bernstein  
*West Region Umpire-In-Chief*

## A message from the WRLLUAA President

On behalf of my fellow members of the Western Region Little League Umpire Alumni Association, I want to congratulate all of you who have been selected to umpire at a Western Region baseball or softball tournament in 2015. You join a long and distinguished list of volunteer umpires who have had the honor and privilege of being selected from amongst their peers to work one of these prestigious post-season tournaments.

Your selection is a great honor for you, your family, and for your District and one you have worked hard to attain I am sure. The volunteer umpire is an integral member of the Little League program. This assignment takes you away from your family, friends, and work to positively help shape the lives of our youth. For that commitment and sacrifice, you should be highly commended.

I, along with each member of our Umpire Alumni Association thank you for your time and dedication. You are part of the closest and best fraternity in the world. Be proud of your achievements, they are well earned. Enjoy the games, the atmosphere, the camaraderie and have a great Tournament!!!

Thru generous donations and memberships since its inception in 2005, the Umpire Alumni Association has invested tens of thousands of dollars into equipment, scholarships and facilities benefitting Little League volunteer umpires throughout the Western Region. Since that beginning, we have grown to over 200 members, both men and women, from all walks of life. What we have in common is a true dedication to the Little League program and the belief in its principles; Character – Courage – Loyalty.

If you have not already done so, please consider joining the Umpire Alumni Association (a public charitable 501(c)(3) tax exempt organization) and assisting us in continuing our efforts.

Sincerely,  
Tony Cooper  
*President West Region Little League Umpire Alumni Association*
